Profile

As a dedicated Bachelor of Technology student specializing in Artificial Intelligence and Data Science at VVIT Guntur, I have successfully completed virtual internships in AWS Cloud Foundations and Google Foundations of Cybersecurity. These experiences have equipped me with a solid understanding of cloud computing principles, cybersecurity fundamentals, and hands-on skills in deploying cloud-based solutions. I am eager to leverage my technical knowledge and practical experience to contribute to innovative projects in the tech industry.

Courses

CSS crash course for beginners, Udemy

MARCH 2024 – APRIL 2024

Foundations of Cybersecurity, Coursera

APRIL 2024 – MAY 2024

Extra-curricular activities

National Service Scheme, Member, Guntur

JANUARY 2024

As an active member of the National Service Scheme (NSS) at VVIT Guntur, I have participated in social outreach programs aimed at promoting social responsibility. My involvement in NSS activities has allowed me to develop essential skills such as teamwork, leadership, and effective communication.**Key Contributions:**

- **Community Service Projects:** Engaged in multiple projects focused on environmental awareness, health camps, and educational support for underprivileged children.
- **Leadership Roles:** I was assisted in organizing events and workshops that encouraged fellow students to participate in community service within the college.
- **Skill Development:** Enhanced my team communication and planning skills through the coordination of NSS activities, which included events and awareness campaigns.

My experience with NSS has not only enriched my college life but also instilled a strong sense of social responsibility and commitment to making a positive impact in the community.
